In addition to the Hall, a multi-purpose space for banqueting, performances, exhibitions and conferences, the Forum has a range of meeting rooms and function areas to suit all needs. From a small meeting to a seminar.... from a children's party to a wedding, our spaces can be hired on a room only basis or combined with our professional catering service.

Our on-site cafe, Forum Flavours, serves fresh Costa coffee and a variety of snacks and meals freshly made each day. Sit and relax with a coffee and use the free Wi-Fi – ideal for personal use or for small meetings in the cafe.

The Wi-Fi extends around the concourse, meeting rooms and Forum Hall so you can be assured of great service wherever you are.

Meeting spaces are available just off the concourse and adjacent to the sports hall where we also have a boardroom style meeting room.

The concourse is a versatile space suitable for a range of events such as craft fairs, seminars, presentations and receptions. This space can be utilised alongside the bar or cafe as required.

Select your refreshments, breakfasts, buffets or banqueting packages from our extensive catering menu, which can be tailored to suit your needs. We are happy to advise on menus and can cater for specific dietary requirements. Outside catering is also available for your parties or functions held at home or elsewhere in the Manchester area.

For further information or to book one of our meeting or event spaces, please contact Val Calder on 0161-935 4013 or e-mail bookings-forum@serco.com
